 2004-2005 Monterey

**ISSUE**

To service a safety belt web stop button (the button that keeps the belt tongue from sliding down when not in use), a service kit is now available.

**ACTION**

Install the safety belt button kit, DO NOT replace the entire safety belt assembly. Follow the Service Procedure in the Instruction Sheet that comes with the kit. Refer to Section 501-20A of the appropriate model year Workshop Manual for additional information if needed.

**NOTE**

ONE KIT WILL REPAIR ONE SEAT BELT BUTTON.

**NOTE:** The information in Technical Service Bulletins is intended for use by trained, professional technicians with the knowledge, tools, and equipment to do the job properly and safely. It informs these technicians of conditions that may occur on some vehicles, or provides information that could assist in proper vehicle service. The procedures should not be performed by "do-it-yourselfers". Do not assume that a condition described affects your car or truck. Contact a Ford, Lincoln, or Mercury dealership to determine whether the Bulletin applies to your vehicle. Warranty Policy and Extended Service Plan documentation determine Warranty and/or Extended Service Plan coverage unless stated otherwise in the TSB article. The information in this Technical Service Bulletin (TSB) was current at the time of printing. Ford Motor Company reserves the right to supersede this information with updates. The most recent information is available through Ford Motor Company's on-line technical resources.
